

Boy Scouts of America - Troop 220

BSA Troop 220 is a community based Boy Scout troop chartered by the KP Lions Club. We are also generously sponsored by the Key Peninsula Civic Center. We meet Tuesdays year round from 630 – 8 PM at the KPCC gym. T220 is dedicated to developing each boy to be the community leader and civic minded adult that he can be. We

participate in a variety of community and outdoor activities throughout the year.

Our local civic service projects include such things as canned food drives & participation in the Vaughn Memorial Day flag setup and ceremony. If you are looking for some help on or around the Key Peninsula, we would love to do so. Civic service is one of the core tenants in scouting and we believe strongly that helping our neighbors builds a strong sense of duty in our boys.

T220 participates in or sponsors outdoor activities year round. Whether it is hiking in the Olympics, snowshoeing on Rainer, or summer camp on the Hood Canal, we are constantly doing something outdoors. Outdoor skills are valuable life skills and build strong leadership and team values. Whatever we do and wherever we do it, it is as a team. These skills are in high demand in today's fast paced environment and our boys are better prepared to be men because of them.

If you or your boy is interested in scouts, please feel free to stop by on a Tuesday night and say 'Hi', we'd love to talk to you. You can also reach us by email at KPTroop220@gmail.com.
